## LA GENTILEZZA

**RACCOLTA DEI POEMI CREATI DALLE CLASSI  
IN TEDESCO, INGLESE E FRANCESE**

## **Freundlichkeit ist...**

Zeit zusammen zu verbringen.  
immer ehrlich zu sein.  
respektvoll zu sein.  
Freunden zu helfen.  
immer hilfsbereit zu sein.  
ein Geschenk zu machen.  
immer selbstlos zu sein und immer an andere zu denken  
zusammen zu lachen.  
einen Rat zu geben.  
einer Person zu zuhören.  
sich zu umarmen.  
eine andere Person anzulächeln.  
sich zu vertrauen.  
eine Party zu machen.  
einen Freund zu schützen.  
Trost zu geben.  
einer alten Person den Platz im Bus anzubieten.  
etwas zu essen oder zu trinken zu offerieren.  
verständnisvoll zu sein.

**Freundlichkeit ist...**ein grosses Geschenk!

While talking in class about kindness,  
Somebody said it's quite priceless.  
A present that is free,  
no one can disagree,  
being kind to each other is timeless.

The meaning of kindness is:  
Love, because you need  
To show other people fondness  
To be a kind person. And the  
Most important thing to do is  
Respect, because without respect you are nobody  
To be kind you also need to  
Be generous and honest with our parents  
And friends

## **1ED**

They told us "write poems for Christmas"  
We spoke of good acts and, forgiveness.  
Give your friends advice  
Or try to be nice  
That is the magic of Kindness.

To me, kindness is worth more than a great love for the whole humanity.

Kindness is an act of free donation, without expecting anything back.

It is the language that deaf can hear and the blind can see.

It is a rainbow in somebody's cloud.

It is like snow, it beautifies everything it covers.

It means being nice to everyone:

it is a life choice and a hope which raises our spirits.

It is a gift everyone can afford to give.

A wonderful way to let another struggling soul know that there is still love in this world.

Do a kind act daily.

Kind to everyone

Increase your love

No to violence

Don't be a bully

Nice to everyone

Everyone wants to get along

So be nice

Smile and choose kindness.

**You'll never regret being kind.**

Kind words are  
Important everyday  
Never stop  
Doing it when it's grey  
Never stop  
Emitting a bright ray  
Support who needs it  
Say thanks throughout the way

To me, kindness is many things in one: It should be everyone's religion.  
No act of kindness, no matter how small, is ever wasted.  
It doesn't cost much money, it doesn't take much time, and makes everyone smile.  
We say, "THANK YOU". We say, " PLEASE".  
We don't interrupt or tease. We don't argue, we don't fuss.  
It is a language that everyone can understand: it is never too late to learn and speak it.  
It's not judging people because you don't even know what sort of struggles they are getting through.  
Kindness is an act of free donation: when you give, don't expect anything back.  
Thank our parents for their daily efforts.  
Smiling, being ready to listen to the others.  
Showing mutual respect.  
Give a hand whenever someone needs it.  
Do all things with kindness.  
Be kind today.

nicht die Lügen sagen

und die anderen lustig

wenn du deinen Freunden hilfst  
und ist ein Gefühl  
ist sehr wichtig für eine gute Gemeinschaft

One smile can make your day better.  
It makes you forget the bad things.  
It is important for relationships.  
A warm smile is the universal language of kindness.  
No act of kindness, no matter how small, is ever wasted.  
Kindness is the language which the deaf can hear and the blind can see.  
Wherever there is a human being, there is an opportunity for kindness.  
Kindness is everything in life.

Kindness is saying thank you and please  
Kindness keeps peace  
Kindness is a sea  
That makes you free.

Spread love everywhere you go  
And that will make your heart glow  
Happy shopping at the mall  
Merry Christmas to you all

What wisdom can you find that is greater than kindness?

Spread a little kindness  
everywhere you go.  
Let that kindness  
from your heart gently flow.

Kindness can transform common days into thanksgivings,  
turn routine jobs into joy and  
change ordinary opportunities into blessings.

A warm smile is the universal language of kindness.

A little hug can give you so much joy.  
Take care of your garden; fill it with sunshine,  
and remember to smile.

It is saying thanks.

It is also apologizing.

Kindness is not in the face;

it is a light in the heart.

It is all we need nothing apart.

Kindness counts.

To me, kindness is the best medicine for the human soul.

Our daily bread and everyone's cup of tea.

What wisdom can you find that is greater than kindness?

Kindness can transform common days into thanksgivings, turn routine jobs into joy and change ordinary opportunities into blessings.

It is keeping the door open for everyone.

It means mutual help: never take it for granted.

A warm smile is the universal language of kindness.

It is saying thanks. It is also apologizing.

Giving a hand when someone needs help.

Kindness is not in the face; it is a light in the heart.

It is a cold steel, that can defeat many wars.

It makes you a better individual.

Kindness is like taking care of a common garden.

Kindness is all we need for a better world.

## 2EC

---

Kindness is like the butterfly effect,  
every act has a result.

Kindness is when you have empathy  
and you help other people.

Kindness is a language to improve  
the life of people.

Kindness is when you change the world.

---

## 2MA

---

When you give a simple smile,  
A small compliment,  
A helpful advice,  
Or just being there for someone,  
That's called kindness.

Everyone should try to be a rainbow  
In someone's cloud,  
So that our world,  
Can shine like the sun  
Because kindness is the light of our life.

Quand dans notre vie il y a de la gentillesse,  
Cela nous rend plus heureux que n'importe quelle richesse.

Se mettre à disposition des autres  
Et aider les personnes  
Peut rendre votre vie vraiment mignonne.

Pas moins important c'est le respect  
Dans tous les domaines et tous les aspects.

Suivre les normes, voilà la politesse,  
Rien d'exceptionnelle mais cela a aussi sa joliesse.

Laissez tomber offense et grossièreté,  
Laissez avancer la compréhension et la générosité.

Oubliez la méchanceté et le mépris,  
Pour purifier votre esprit.

La gentillesse, c'est moi, c'est toi, c'est nous...  
La gentillesse est partout.

Et nous sommes arrivé à la fin de ce poème sur la gentillesse.

La 2MA avec Kevin, Vanessa, Annick, Iman, Martina, Brenda, Carolina, Loris et  
Andrés vous embrasse avec tendresse!

Kindness is ...

Giving your time;

Being nice to everyone;

Respecting other people;

Worrying about each other;

Opening the door to everyone;

Hugging someone when he/she needs it;

Helping people without asking for anything in return;

Thanks  
Grazie  
Merci  
Danke
